

2020 Mooseheart Letter Jacket Presentation – Greenville OH Lodge 329 and Indian Lake Lodge 1533

November 18, 2020

Ohio Brothers and Sisters,

We are doing the best we can and taking it day by day here at Mooseheart. Thanks to the Ohio State Moose Association and especially Greenville Lodge 329 and Indian Lakes Lodge 1533 for their continued support of our Letter Jacket program. Your support means so much to us and we are grateful of ALL of your efforts.

Since the pandemic has caused many events on our campus to be canceled, we have attempted to make every effort to honor those annual events in some manner. Despite us not having an in-person Founder's Day Program, we decided to continue on with the tradition of presenting the Letter Jackets to those who have earned them. I apologize that not all students were available for this presentation. Below are photos of the jacket presentations and the students receiving them. Our students are excited to have the jackets and to wear them as the winter season is approaching.

We look forward to 2021 when we can meet again at the House of God and continue on with this unbelievable tradition. Please share this presentation with your membership.

Please take care of yourselves and remain positive. We look forward to our next encounter together!

Sincerely,

Gary L. Urwiler
