I am sure many of you are aware that we have had a few of our members test positive for COVID-19. We took immediate action to close the Lodge for a few days in order that we could perform a deep clean of the premises and have since reopened. We take the welfare of our members very seriously and will continue to do everything in our power to make sure that the Lodge continues to be a safe place for our members. Our thoughts and prayers go out to those that have tested positive and wish them a speedy recovery
