Hello to all!

With the calendar saying Spring is upon us I am still a bit skeptical. I hope everyone is doing well after the long harsh winter (or it seemed like it to me). We are looking forward to seeing all of you back at the Lodge this Summer.

Back on March 9th, we held the annual Polar Bear Plunge, here at the Lodge and Old Field Beach. Although the weather was blustery and cold and had to have the ice chopped away the Friday before, Saturday morning another thin layer of ice had formed. All and all this event was a huge success for Ohio Special Olympics. The Lodge raised over \$32,000.00 for this cause. I would like to thank all the volunteers, the Special Olympic staff, OSMA committee, all of the brave souls that plunged that day and without saying all you members that generously donated. Great job everyone!

We have our entertainment scheduled from May through Sunday, September 29th. Watch the newsletter, our APP, Facebook and postings here at the Lodge for additional information. I know all will enjoy and we look forward to seeing you here at the Lodge.

Listed below are just a few points of facts about the Lodge and the Moose.

- The Moose is an organization that supports Mooseheart, Moosehaven, our communities and other organizations as so chosen.
- Outside the Fraternal side of the moose, believe it or not it is a business! We have many bills such as cost of goods sold, overhead, property and boat tax fees, maintenance is an ongoing cost, payroll and the list goes on and on monthly.
- The Lodge's price structure has to make profit after expenses. We are currently making changes in our kitchen in all aspects. Please keep in mind that in the Summer on Weekends and Holidays the kitchen gets very busy, so we thank you in advance for your patience.
- As you travel around the lake our pricing is very competitive and in some cases lower than most establishments. Our Social Quarter pricing is typically lower than most other establishments.
- Just so you know we are a 501c8 organization not a 501c3 organization.

Update on the new deck project. The project has been approved by the membership and funding has been obtained and in escrow. The last meeting the board of officers had with the contractor he said he could start early November. We also have a wish/to do list that committees will be raising funds for to make your visit at the Lodge more comfortable.

Again, I wish all of you a very safe and fulfilled Summer, see you at the Lodge.
