

MOOSE TRACKS

May, 2019

FROM THE GOVERNOR-Jack Martin

We are wanting to seal and line the parking lot this year as our big project. It will take at most 3 grand to do this. We are currently providing dinners, weekly 50/50, etc. to save money for this. We also have a donations jar up at the bar or, if you like see any officer and we will see that your donation is accounted for.

We are in the process of coming up with a Grove policy and renting procedure. With that in mind we would like the members to help keep the Grove looking as good as possible by using provided trash cans and only putting wood in the fire pit.

Saturday May 11th we are having a cleanup day at the Moose. We are only asking for 2 hours of your time, from 10 to noon, cleaning up around the building and cleaning up the Grove. Please signup. It's all of ours club and we all need to take care of it. The officers will be there and of course the more people we have the quicker it will go.

FROM THE ADMINISTRATOR-Sam Aker

Would like to announce the officers for 2019. When you see them around the club wish them good luck and your support.
