

SAFE SURFIN"

Lodges, Chapters and Districts,

Hello I am Mike Thatcher, State Safe Surfin' Chairman for Ohio and last year I asked every lodge and district to have a Safe Surfin' Chairman. Send their name and address, phone number. Well I have very few lodges that have a chairman. I am getting ready to make my report for August convention. And I will be announcing the lodges and districts chairman. I hope your lodge and district will be on my list. I know its hard to get people to commit to something. But this is for such a good cause. We are protecting your kids and grandchildren from internet predators. There are so many out there you would not believe it. It don't have to be a man for the chairperson, It can be one of the ladies in the lodge or district. We need someone. I will give you a request form for items about SAFE SURFIN" mail it in to the address and they will send all the information to you free in August at convention I will have a table set up with info on it and will be selling tickets on stuff to raise money for SAFE SURFIN" Foundation. And we will have a parade of checks at the convention for SAFE SURFIN'. Some lodges have had car shows and others things to raise extra money for this. At the international convention they read the states who gave the most money last year. Florida was #1, Virginia was #2, Pennsylvania was #3 and Ohio was #4. Pennsylvania beat us out by \$100.00. We need to get up to the plate again. Ohio use to #1 in everything. And we can do it again. We need everyones support. Proud to be

a Moose. So see you in Independence. And try to get me your
chairperson by August 12 th. So I can finish my report.
